SIR,

Subject - CLOCK WINDING CHARGES

I have the honour to state that the work of regulating the clocks in the Municipal Offices and the Tower Clocks at the marginally noted places had been entrusted to one Sri T Rama Rao, Clock Dealer, Chickpet, Bangalore City on a monthly total remuneration of Rs 30/- as per Government Order No L 2217-8/Ml 10-41-174 dated 20-8-1942 and the Municipal Council Resolution dated 19-12-47 copies of which are enclosed herewith for reference

1 City New Market,
2 Kalasipalyam Bus Stand
3 The Municipal Offices

When it was observed recently that these clocks were not being properly looked after by this dealer and much inconvenience was caused by frequent stopping of the clocks he was addressed in this office letter No F C 24/47-48 dated to intimate if he is willing to look after the Tower clocks only In response to this he replied that another agent may be employed for this work

Thereupon one Sri B Gajaraja Singh, Watch and Clock maker, Civil Station Bangalore was entrusted with this work from 21-5-48 on the same remuneration of Rs 30/- which was being paid to Sri T Rama Rao As this work was being satisfactorily attended to by Sri Gajaraja Singh, the matter

I am in receipt of your letter No F C 24/47-8 of 21st May 1948 and noted the contents with reference to it, I beg to inform you that all the clocks of your office were being attended to regularly and it seems that they were being handled by some one in spite of my several requests not to handle the clocks if there will be any difference it be Now they are being cleaned and oiled completely attended by one

Regarding the Court Hall Clock I have already informed you that the supplier of the Clock should be ordered to set it right as it has been purchased very recently and as it is the duty of the supplier of the same to see it right if it goes wrong during the Guaranteed period I think you have accordingly ordered the supplier of that clock to the needful

If you think the work is not satisfactory you may arrange any other agent to look after the office clocks and also the Tower Clocks as per above mentioned letter from 1st June 1948
